

THE HIDDEN SERVANT WHO STANDS WITH THE ENEMY

YAHWEH IS SPEAKING:

Who can know the mind of Yahweh but by My Spirit? That sounds like a common saying that the people use. They say they know the mind of Yahweh, yet they contradict what is in My Written Word. But most do not have an understanding of how the written Word is noted. Today, people put what they think is said instead of what Yahweh says is to come forward. Their understanding is based on how they deal with the painful living. They cannot hear Me, and they think that they are standing on what is accurate. But I can see you. The servant who goes forward into how they feel, they say sayings that are catered to it: the fake way.

- "I feel Yahweh says this thing: ____."
- "I feel Yahweh says that your city, where you live, has a spiritual meaning and means that you will be...."
- "I feel that you will be like this person in the Bible, who defeated...."
- "I can tell by how many followers you have that God is using you in a mighty way!"

Oh, the lies. All the lies I've heard in the name of Yahweh. All the rhyming prophetic statements. When will they actually see? Yahweh yields conversations that deal with real spirit engagement. Can you see Yahweh up in Heaven saying rhymes as a way to converse? The plan of how Scripture came to be is a gathering of many different writers who are under the plan of Yahweh to have inspiration. Does it say that Yahweh made them as a robot? What does that mean, servant? I did not turn off a person's brain even when they wrote down the way of how the written Word would go forward.

When Paul wrote a letter, he did not hear Yahweh give him any words as if on the mountaintop, alone with Yahweh. The way of Paul and the other disciples was actually just as human as the common placement of church folks in the current church living. That says that there was nothing special about Paul or any other writer in reference to what was bound by the churches and labeled as the Bible.

There are no mortals who wrote down the written Word that Yahweh made become a robot, where He took over their human placement, blanked out their way of thinking, and took over their hand and wrote parts down—just how My servant writes down My words that are dictated is a form for a way of communicating what I say. But there are no human writers who stand in honor, using the God traits of Yahweh. No human writer of Scripture carries God traits. The writers carry a calling. The governing stands with how the SOURCE of what is spoken is from a Great Deity. The governing stands with Yahweh.

Yahweh is the SOURCE of all accurate prophetic words from the God I AM. There is no mortal who can make Yahweh do anything. There is no mortal who can govern the Church with actual power from their own plan. The actual governing stems from Yahweh. That's why the mortal who writes Scripture is not special. If the churches can grasp it and notice the actual source of Scripture and note how the one given the word to pen is not a special person, they would begin to see that prophet traits will never come to an end. Prophet traits, not prophetic sayings.

No human can make anyone carry these two office placements. The Prophet and the Apostle are standing offices that come with a plan that will turn the group that must come under the influence of the office placement. They say that there cannot be any prophets in this time of the Church Age. But I show how the Prophet office is not set (or initiated) in a human. The office—the power to walk in the office—does not stem from a human. Yahweh never stops being a Prophet.

So, what should now be looked at? Are there any plans to have an office prophet living today?

Yahweh always existed. But Yahweh doesn't always yield a prophet forward in natural time. The prophet does not carry the ability to walk in a prophet placement without the ability yielded from Yahweh. A person can say they feel they can operate in spiritual outlets, but where is the power of the office placement? Where is Yahweh's stamp of approval of the calling being given delegated authoritative placement? That's what made the early church apostles look "special": authoritative placement.

They say today, "Look at all the Books Paul wrote," as if Paul ever had a perception that letters carried the same authoritative standing as what Moses wrote in the law. But Paul was backed by the others and noted as writing Scripture for the churches. And Paul still had others questioning his placing as a later "called-by-Yahweh" apostle. See it? That's why requirements were listed to validate those who would say they are in these two office placements. Would stating that these two office placements carried the duties of building the foundation say that they cannot be used through the framework? Look at the role of Christ as the Chief Cornerstone. Is that the only role Christ stayed in?

What would be the use for modern-day apostles? Only if Yahweh wanted to end the Church Era of what has been and push forward the preparation for the return of Christ would a new placing stem forward. There must come a day when the antichrist reigns. A new way where the devil conquers the saints. Put it there.

(4) People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can wage war against it?" (5) The beast was given a mouth to utter proud words and blasphemies and to exercise its authority for forty-two months. (6) It opened its mouth to blaspheme God, and to slander His name and His dwelling place and those who live in Heaven. (7) It was given

power to wage war against God's holy people and to conquer them. And it was given authority over every tribe, people, language and nation. (8) All inhabitants of the earth will worship the beast—all whose names have not been written in the Lamb's book of life, the Lamb who was slain from the creation of the world.

—Revelation 13:4-8 NIV

YAHWEH CONTINUES:

Look at this way that is coming. Does it look like the way things go forward in this current day? Is Satan governing all nations in this placement in this current day in an extreme power over all who have not listed their way of serving in Yahweh's Kingdom? Satan will not honor any human serving their lowercase god. There will be such fear upon the earth. Could there be a rapture, still, seeing how the saints will not be able to be without persecution in this placing with the way of the dragon and the beast? Has anyone with the understanding that the opportunity for salvation is carried out later by certain outlets? Write some here.

(1) I was given a reed like a measuring rod and was told, "Go and measure the temple of God and the altar, with its worshipers. (2) But exclude the outer court; do not measure it, because it has been given to the Gentiles. They will trample on the holy city for 42 months. (3) And I will appoint My two witnesses, and they will prophesy for 1,260 days, clothed in sackcloth." (4) They are "the two olive trees" and the two lampstands, and "they stand before the Lord of the earth." (5) If anyone tries to harm them, fire comes from their mouths and devours their enemies. This is how anyone who wants to harm them must die. (6) They have power to shut up the heavens so that it will not rain during the time they are prophesying; and they have power to turn the waters into blood and to strike the earth with every kind of plague as often as they want. (7) Now when they have finished their

testimony, the beast that comes up from the Abyss will attack them, and overpower and kill them. (8) Their bodies will lie in the public square of the great city—which is figuratively called Sodom and Egypt—where also their Lord was crucified. (9) For three and a half days some from every people, tribe, language and nation will gaze on their bodies and refuse them burial. (10) The inhabitants of the earth will gloat over them and will celebrate by sending each other gifts, because these two prophets had tormented those who live on the earth. (11) But after the three and a half days the breath of life from God entered them, and they stood on their feet, and terror struck those who saw them. (12) Then they heard a loud voice from heaven saying to them, “Come up here.” And they went up to heaven in a cloud, while their enemies looked on. (13) At that very hour there was a severe earthquake and a tenth of the city collapsed. Seven thousand people were killed in the earthquake, and the survivors were terrified and gave glory to the God of heaven. (14) The second woe has passed; the third woe is coming soon.

—Revelation 11:1-14 NIV

YAHWEH CONTINUES:

Does it matter what plan you see in reference to who they could be? The point of using these witnesses as an example is to prove that prophecy and prophet traits stem from an outside source and cannot end. The stream comes from Yahweh. A flesh mortal drinks in the prophet placing and operates in prophet traits when Yahweh says there is a need for the office. And where is the Church placement? Why would there be a presentation of this placement of the prophet if churches were granted to continue? How could it go on, the way of Sunday services? No, the Church will not be placed under the way of Satan. But could the later drinkers of the Way drink this way of being conquered?

Who is living in Heaven that the placement of Satan speaks out against?

(6) It opened its mouth to blaspheme God, and to slander His name and His dwelling place and those who live in Heaven.

—Revelation 13:6 NIV

Wow. Wow. What about the angels?

(6) Then I saw another angel flying in midair, and he had the eternal gospel to proclaim to those who live on the earth—to every nation, tribe, language and people. (7) He said in a loud voice, “Fear God and give Him glory, because the hour of His judgment has come. Worship Him who made the heavens, the earth, the sea and the springs of water.” (8) A second angel followed and said, “Fallen! Fallen is Babylon the Great, which made all the nations drink the maddening wine of her adulteries.” (9) A third angel followed them and said in a loud voice: “If anyone worships the beast and its image and receives its mark on their forehead or on their hand, (10) they, too, will drink the wine of God’s fury, which has been poured full strength into the cup of His wrath. They will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. (11) And the smoke of their torment will rise for ever and ever. There will be no rest day or night for those who worship the beast and its image, or for anyone who receives the mark of its name.” (12) This calls for patient endurance on the part of the people of God who keep His commands and remain faithful to Jesus. (13) Then I heard a voice from heaven say, “Write this: Blessed are the dead who die in the Lord from now on.” “Yes,” says the Spirit, “they will rest from their labor, for their deeds will follow them.”

—Revelation 14:6-13 NIV

Where is the Church?

I need all office placements on when that need to build a new power is to come forward. What must take over? Satan's placement. What would this hidden servant have to do with this? He is going to be My example of how Master Deceiver works. Master Deceiver is a demon that operates in hiding his true ways. Now, look at how the world will follow the antichrist. They will think they will get one plan but will end up being tricked, deceived, bamboozled, a dabble of truth with a base filled with lies for its foundation.

This young man that I look at has this notion that I give him full support because he is visited by famous people. He feels that I approve of the work due to famous preachers giving him words, causing him to feel that he is set on the right path of building up the work. But would he look closer at how he follows those who have influence instead of those who stand with Yahweh's written Word? Would he look at his base core and let Me strip him of all he currently has? Would I look like an evil Yahweh to take away his following on social standing? Would I look like an evil God if I stripped him of the famous visitors and made him low in influence? What would be My reason to strip him? So that he would shake off Master Deceiver. They give him just enough truth but fill him with lies about how We Yahweh want to use him. He is not able to step away from his own way of viewing My will. His home way of growing up shaped him. These churches shape them in what they feel is the way to drink, and later in that young, impressionable life, they are set within the church culture with a plan of accurate sayings.

But how can a person begin to look at what has happened with a clearer vision? Their way of what they view as successful followings of the Christian way must end. They have to engage Yahweh under a judgment-style stripping, where Yahweh shakes them so they can see. If their way keeps building up, they will see that people are saying what they view as Yahweh. A poor person with hardly any followers is rarely viewed as *really* in the

power pushing of Yahweh. But look at how Master Deceiver works: that removal of thinking of the wrong viewpoint being with your way is dominating. A person unable to put their core way forward through yielding their way of seeing to see if Yahweh is giving them real backing tends to take a turn into what they feel is better through a plan of logic and deduction.

- "I have real power because I have a large following."
- "I don't have any lack. I must be in God's will."
- "Famous people want to talk with me. So, that shows that God is with me."
- "Look at how big the crowd is. That means that I am doing something right."

M____, pay close attention. Yahweh doesn't give approval through building up what looks like fake governing. The authoritative placement comes from Yahweh, not with the number in your church building. Your local city is not the doorway to having God's calling. You are there, but so are others. Your skin color is not a doorway to building up a bridge of working with others. You are your race, but never is your race your prophet standing and is not proof of a power placement. And getting large donation checks to fund your work is not real proof of walking in the Kingdom Yahweh yields.
