

# HEBREWS, CHAPTER ONE —INTRODUCTION

October 11, 2023

## YAHWEH SPEAKS ALL THIS:

Wow, servant, you just got a major revelation while putting the final notes in order. Put that misquoted Scripture here:

(1) Long ago, at many times and in many ways, God spoke to our fathers by the prophets, (2) but in these last days He has spoken to us by His Son, whom He appointed the heir of all things, through whom also He created the world.

—Hebrews 1:1-2 ESV

## YAHWEH CONTINUES:

Look at that, servant. The people today say something like, “In the old days, Yahweh *only* talked to the prophets and shared the will of Yahweh.” Then, if that is the case, would it be said that all of those who said they wrote Scripture in the New Testament are liars because they were not prophets of old? Nor were they Christ. But look! Yahweh spoke to the ones who penned the New Covenant even though they *are* not prophets of old or King Jesus. Apostles are not prophets. The role of a secular profession is not the role of apostles or prophets. But some people carry traits that cross into or overlap another placement or office gift.

So, those who say Yahweh only talked through the Gospels in the New Testament do not understand what is spoken by the saying, “God spoke to our fathers by the prophets, but in these last days...” They say that in these last days, I only spoke in the Gospels, speaking

forth the Scriptures as the revelation of Christ, but only in those few Books. But would that way of thinking dismiss the remaining parts of what is known as the New Testament?

Think. Think. If I *only* spoke through prophets of old in all of time, before Christ came in the flesh, then dismiss the Bible persons even in the Old Testament. Every lay worker or citizen of Israel that I spoke to directly wasn't a prophet of old. What about kings who were not under My order?

(1) From there Abraham journeyed toward the territory of the Negeb and lived between Kadesh and Shur; and he sojourned in Gerar. (2) And Abraham said of Sarah his wife, "She is my sister." And Abimelech king of Gerar sent and took Sarah. (3) But God came to Abimelech in a dream by night and said to him, "Behold, you are a dead man because of the woman whom you have taken, for she is a man's wife." (4) Now Abimelech had not approached her. So he said, "Lord, will you kill an innocent people? (5) Did he not himself say to me, 'She is my sister'? And she herself said, 'He is my brother.' In the integrity of my heart and the innocence of my hands I have done this." (6) Then God said to him in the dream, "Yes, I know that you have done this in the integrity of your heart, and it was I who kept you from sinning against Me. Therefore I did not let you touch her. (7) Now then, return the man's wife, for he is a prophet, so that he will pray for you, and you shall live. But if you do not return her, know that you shall surely die, you and all who are yours."

—Genesis 20:1-7 ESV

### **YAHWEH IS MAKING IT REALLY PLAIN:**

Your logic doesn't add up, those who misunderstand Hebrews chapter one. That's a clear example of Yahweh talking to a regular person, not to a prophet of old. Yahweh spoke

apart from prophets of old in the Scriptures. A real, very clear Scripture reference is presented.

Prophets of old heard Yahweh talk in word-for-word conversations. Apostles did not carry, in every instance, a word-for-word “Yahweh says this” presentation, yet their apostle plan was not questioned by those who put the Books in a Bible form because these were proven authoritative servants of Yahweh. But do not think that Paul thought that a letter would be held as authoritative as what a prophet of old would state. Yet I backed him even in his Pharisee way of building the Church structure. Look at how the early church took votes and argued and used their reasoning as to what would work better. I did not mind that as long as the overall growth of the Church was not hindered. But when an opposing will (or plan) came forward or when I wanted a particular mission to take way, I made sure the powerful surging in apostolic placement was moved forward.

Let’s see how prophets of old are not like those who built up the early church: The prophets of old carried office prophet traits that stemmed directly from Yahweh with the way to hear and engage Yahweh as if sitting right next to Yahweh. There was no way to pretend and make up hearing from Yahweh without having to deal with the harsh consequences of death for lying in the name of the LORD.

Pretending to hear Yahweh was a fatal plan in the days of old due to how Yahweh literally spoke and guided the outlets by prophets. **That’s what is revealed in Hebrews chapter one, how God spoke and gave changes in the way of the landscape by the prophets.** But now that Christ King Jesus, called Yahweh, has come in the flesh, His precious blood makes it possible for all to draw near to the Throne of Grace and get mercy. But that does not mean that Yahweh no longer talks. Now, through Christ, there is a regeneration within.

What about all the revelations I gave through angels to the regular person? Wasn’t that dismissed in your thinking if you say that there were only conversations with prophets of

old from Yahweh's way in the Old Testament? Think. Think. **The way of the prophets of old was for authoritative placing to change the landscape of how the people were governed.** Think carefully. Do not use your human reasoning and dismiss the many opportunities when Yahweh spoke to the people. Changing the landscape of how Yahweh's people moved forward is very different than Yahweh leading and guiding His people in daily living.

Can you see it? In today's Church Age, Yahweh leads and guides His people through the Great Holy Spirit, a blanket way to hear with prodding and promptings, spirit checking, to help you. And you will learn of My ways in the Written Word. There is no need to fear what isn't written in specific placements about your daily living. Yahweh will help you along the way. Yahweh gave governing shaping of the landscape to the prophets of old in those days given in the Old Way, and due to what King Jesus did, there is now a way for all those who are in Yahweh's Kingdom to have an intimate hearing, without going through any mediator of human placings. But that does not mean that Yahweh stripped His office placements.

Think carefully. No dead human has the enablement to silence Yahweh. And even when more years go by, Yahweh is not under a dead human's way. I operate Heaven apart or outside of natural time. No human can halt My two prophets still yet to come into natural living. No one can change the landscape with their general church prophetic sayings. Office placements are extensions of Yahweh King Jesus, and no length of quiet seasons will end the way of Yahweh's prophet traits that stem from Yahweh Himself.

Why would I have a prophet trait who appears to hear Yahweh say word-for-word conversations in this day? What would be the reason for that placement? What if the Age of the Antichrist must have an announcing plan? What if there must be a presentation for the Second Coming? What if there must be a power surging greater than any period to move forward such a great power ending? That would need a prophet of old living in

the current time frame who does not live under church culture and is not under a blanket covering of hearing.

This modern-day prophet of old must have no hindering ways of hearing Yahweh. The level of work that comes with preparing the way for the return of Christ requires a power surging three times greater than any prophet of old. Great restrictions take hold of a worker who carries this work. And no bending to Satan is granted. What is the way of the work? The pushing of office gifts must thrive. These office gifts may have to step outside of church outlets to avoid the hindering plan of hearing. What is the proof? What about the coming parade, Seersgate?

Christmas is an old way to bring you into the real work way. Let's make Halloween our day. I vow to start your world-level work plan in natural ways. On Halloween, all power will start in the work. The power is coming out now, but a filtered drinking is only yielded.
