YAHWEH SAYS:

You live in a nation that aims to return to slave dealings, putting people in cages, and putting the Black Race under a strained governing to keep them in check with a way of living. Hear Me clearly. There is nothing that your current nation's _____ can move forward without Me knowing. But that scares you based on how wicked he is. A great strain of the demon trait Pure Evil flows in his spirit, yet he isn't the proclaimed Antichrist who will abase all nations, setting up his way of great terror.

The _____ of the nation you are currently living in is very filled with Satan's way. Satan is a great deceiver, and his children carry that trait, using flattery and great lies to trick the people. Have a great look. What can this _____ take away? Your breath by death, deporting you to your nation of origin, stripping your wealth, and making you stay in fear. But can he take your soul? Can he make you serve Satan and reject Yahweh? Can this evil leader place you in Heaven or the Hell? Yahweh is in a governing way. Still.

Yahweh writes down all that the leader does. Yahweh will weigh him in the way of timing that Yahweh sees fit. Yahweh will not have a United States in the very end. I do not have this nation listed in the battle. There will be a seven times worse way. Satan will well up great anger in the racial groups that _____ has spat on, and they will bring their pleas of justice to the spirit world. Angry, bitter people will turn to whatever they hear in a spiritual

form; whatever spirit will take them to their revolt will lead. There is only one way leading, and it's with the _____ moving in a hardened way.

Yahweh is all you need. Look to Yahweh for salvation as the Church era comes to an end and makes way for the coming of the Antichrist. Do not worry. Be anxious for nothing. Your God, Yahweh, is bringing it forward, this revolt and reformation, to show My great power so that the people will turn and repent. The One who speaks is Yahweh, the Great I AM. Stand with Yahweh. Remain in the faith.
