

DIFFERENT FORMS OF FIRE

September 25, 2024

12:31 p.m.

YAHWEH KING JESUS TALKS HERE:

Seersgate, let's take a brief moment to say this way. Yahweh has such great surgings of power; a human would not be able to stand before Me in their flesh and not face instant death. There is only great power in Yahweh. And that is why grace is here. The grace covering gives the Church a way to think there can be any form of living and that Yahweh would not care. We—Yahweh—cannot enter in and partake in a sin. Yet grace makes it possible for humans to still come near Yahweh.

But what if Yahweh overlaps eras, yielding the Church way and the reigning of the antichrist? Wouldn't there be great wrath yielded out? Can Yahweh pour out the judgments from Revelation and not strip away grace? The way to come before Yahweh is still there, but the way Yahweh takes care of punishments turns, and instant taking away the air from the person will lead.

The building cannot keep demons from entering. The human host brings in demons. The church building is not the holy of holies. Even the way Yahweh seals a Christian does not make their human flesh become a "holy of holies" place. Sin will not enter the holy of holies. And there, in the holy of holies, the way Yahweh quickly dealt with sin leads. There can be no mentality that says you can continually take on actions of abomination and think there will be a connection to the Vine. This is the placement of fire: it separates sin from the human clay.

No one will say I rained down fire upon those two cities as a "cleaning and bringing them close to Me" plan. That way of fire upon those cities in Scripture was a judgment. There were ways of taking in an unholy living that came up to Heaven, and it was a stench in My nostrils. Yahweh did not make them act that way to then rain judgment down. Free will came into the Earth with Adam and Eve. Yahweh didn't make them sin. They were made to be in My presence, spending time with Me, hearing Me speak in conversations without a hindering way.

There is a blanket over the Church, making the church people unable to hear Yahweh as if they were the prophets of old. There must be Yahweh yielding this way of engagement. No book will enable you to hear Me. No laying on of hands will enable the seeing way to walk in the office of prophet. No human can make any human a real prophet. To give confirmation is granted, but when a church leader says they make people turn into prophets, they lie to you.

One major requirement of a prophet is that they have to deal with Me as if grace has been stripped away. They cannot look at Yahweh with scales on their way of seeing. This "Yahweh is only love" plan is an illusion. I gave course corrections to the leaders through prophets. Reformation prophets take in the greatest way in rejection. They must strip away the way of illusion in how the people view Yahweh. They must speak Yahweh's

judgment and tear down the demonic altars to yield a place set in order so that Yahweh will build a first-place position setting with all.

Look at the burning bush. The “burning” plan was not a judgment. It was not a raining down of judgment upon those who took on unholy living. I placed a fire upon a natural object, a bush, not to yield a judgment but to yield a call and bring an awakening. Put that Scripture.

(1) Now Moses was pasturing the flock of his father-in-law Jethro, the priest of Midian; and he led the flock to the west side of the wilderness and came to Horeb, the mountain of God. (2) Then the angel of the Lord appeared to him in a blazing fire from the midst of a bush; and he looked, and behold, the bush was burning with fire, yet the bush was not being consumed. (3) So Moses said, “I must turn aside and see this marvelous sight, why the bush is not burning up!” (4) When the Lord saw that he turned aside to look, God called to him from the midst of the bush and said, “Moses, Moses!” And he said, “Here I am.” (5) Then He said, “Do not come near here; remove your sandals from your feet, for the place on which you are standing is holy ground.” (6) And He said, “I am the God of your father—the God of Abraham, the God of Isaac, and the God of Jacob.” Then Moses hid his face, for he was afraid to look at God.

—Exodus 3:1-6 NASB

YAHWEH KING JESUS CONTINUES:

Every prophet must enter a season of preparation and be stripped of spiritual filth and joinings. But would Yahweh wait till the servant has dealt with a sin and insecurity to begin prophet training? Yahweh is a consuming fire. This fire is a way to shape prophets, those who are My servants called to the office. The fire reveals hidden actions and sin. The fire from Yahweh strips out the carnal way. See how the fire on the burning bush did

not destroy it. Yahweh will place a fire on His office prophets, turning them into the way of presentation.

Fire is required. Harnessing the way of breaking a worker would have benefits.

Yahweh can harness fire to give the human clay another way of giving out what Yahweh says. How can fire change how the message goes from the worker? Yahweh governs the tests, judgments, rejection, and separation with fire. Fire brings an active shaping of will, changing the servant into a set apart way, holy and willing to yield to Yahweh's way. The prophet's preparation seasons have harnessed (gauged and measured out) fire with a shape (parameter and limitations) around the level of engagement the novice can endure. The fire Yahweh releases to burn up the old way in the prophet shapes the servant, setting up boundaries within the training.

Yahweh's fire is included in daily living, which means daily activities may stir up painful experiences. Throughout the day, Yahweh gives a taste of what is within and what Yahweh plans to have the servant deal with. There is only facing the stripping from the fire, and a servant is unable to pretend their spirit takes on changes. Yahweh unveils all—past, present, and the prophet's motive for wanting to deal with Yahweh in this work way. Yahweh looks at how the fire stirs up the old, revealing memories from the painful past.

Fire purifies and forces holy living, which will, in turn, yield heartache, loneliness, and stripping of prideful ambitions, bringing a breaking within. Friends will leave you. Family members will think you are "holier than thou" and will think you are trying to do actions to appear righteous. The written Word begins to taste sweet through the fire because you crave to be with Me. Through fire, I, Yahweh, will force you to stand in My presence, bare, with no crutch to make your way look better. I will break you to give a reshaping to bring you a way of presentation that can carry the weight of the warfare joined under that work. Even good experiences are reviewed and tested. No lowercase god can rule within.

Yahweh uses fire to initiate daily breakings within the servant to see if Yahweh chooses a stable working plan. Yahweh looks to see if the servant will hide how they are doing, spiritually and in natural ways, or if they will take in (embrace) the painful revealings of the heart, from the fire, as gauged by Yahweh in training. When Yahweh sees the fire burning up how the servant's old way leads, Yahweh will bring greater intensity, upping the spiritual shaping within the servant that only the fire from Yahweh can.

If I push out the same breaking and stripping by fire to all novices, some will refuse to stay with Yahweh. And they will show their refusal by abandoning Yahweh's call to serve. I will not have a day one novice take in the controlled harnessed fire from Yahweh's way of stripping and preparation as if they were under My fire for a thirty-year training. Lack of deep spiritual roots is why those new in the faith are not granted a leadership plan. And novice prophets will not have equal preparation but will have a way of a fire from Yahweh geared for what purpose Yahweh says.

The fire yielded in the act of judgment will not shape servants for work but will remove the abominable action and those joined to it. I give prophets a different way of cleansing through spiritual stripping in My non-destructive fire to take them into a turned way, one who places Me in the first placement. I make sure their old fleshly way is no longer a leading plan so when they look out and enter Yahweh's presence with a close plan that carries no grace, there will be no judgment in Yahweh towards their way, and no harm will come.
