

LETTER FOURTEEN: TB, THE DEMON CONVERSER (ENTRY NOTE)

November 14, 2024

3:36 p.m. Houston

YAHWEH IS LEADING:

Seersgate, you feel Me surging. We waited close to a full natural year to say what Yahweh now gives you this day. Talking with you over the months gave a sealing in Yahweh's plans. Yahweh will continue to review churches that state they carry Yahweh in their building. But this person is dead. The letter is an overview. Write it out exactly as Yahweh states.

Manipulation is a common trait in many church leaders. Why would I not make that such a major deal here? That is why. Because there are so many churches that harbor manipulation. To point out one church and make that their scapegoat trait would not benefit the whole Body. But why is manipulation a baseline that most cults or controlling outlets carry? Manipulation gets those who follow a plan to bring their vision forward. Look at the actions of prosperity preachers. They also walk with manipulation, making promises that Yahweh did not say. They lie on Yahweh and think that Yahweh is going to back their way. Manipulation is joined with a deceptive nature. A lying spirit stays attached to the ones who carry deception and brings fake healing and wealth, making Yahweh appear to be a genie that grants wishes.

How can TB take on a nature that is Kingdom based with heavy manipulation moving in his work? Easy. Covenant. Tell Me, how long did it take to kill king Saul after David was anointed? Saul entered a death sentence when Yahweh stated it, but it had to begin to come forward in the fullness of natural events.

THE ENTRY NOTE

"I take My time with this one because of the web he laid. How can a prophet have Yahweh's covenant, yet spew out venom that would slowly kill? Take a look at Yahweh's way of seeing. Five parts will come forward."

Take a look at what a spider does. They can be of great help in killing off bugs. But what way will spider traits have with a church structure? A trapped feeling that gives the hopeless prey that no one else can give them what the spider has. The spider lays out a constructive web that gives a lure with happy feelings and special treats, showing at the doorway that here is where you will drink the way of hope that no other location or person can give.

The outlets of Christian ways and secular outlets of entertainment, business and government may take in spider traits and make a person feel that if they do not partner with a particular entity, they will be without hope and would fail in their purpose. Joshua here, this scapegoat is still operating even in death with those who cover his ways of ministry and mimic his acts. How can Yahweh give a platform to someone who gave such heartbreaking experiences within the ones who were giving him a way of indentured service? Is this Yahweh's fault? Should God be blamed in how a wounded man came forward and governed under demonic power ways?

With such a span of influence, would Yahweh get he praise for building up a platform? You see why the plan of checking how many follow will not give a backing that Yahweh is standing with their way? Prophets of old were without large platforms, but they were empowered with My pushing to bring power to My word. Many prophets spoke with barely a crowd and were killed because those who heard their words didn't like what they heard. They killed real prophets, but the crowds in this current time praise the prophets and place them up on a pedestal, looking to their way for healing.

Ten Points

Point One

What is the primary job of a prophet? To turn the hearts of the people back to Yahweh by saying what Yahweh says. The prophet must not have a way to receive worship. Everyone who preaches that they are a little god—they are against Yahweh!

Point Two

Every “prophet” who says they can give a created placement and speak things into their reality is a liar. No human can yield forward creation as if they are God. No human can create matter by speaking a word. Stop being deceived.

Point Three

Every man or woman who stands in your hearing and says that Jesus was only a man is telling lies and carries a false placement. They turn you away from the One True God. Jesus is I AM (Yahweh), and even while He performed miracles on Earth, Yahweh King Jesus was never just a man. Study the hearing, labeled “Hypostatic Union,” for an earthly way of understanding.

Point Four

You are a “fool” if you think Yahweh will heal you if you pay money. Yahweh says these words with a gentle yet stern presentation: Do not pay anyone for faith healing. Do not pay your money to gain a miracle. There is only one Mediator: King Jesus. Yahweh heals, however, whenever and to whom Yahweh states. No human can make Yahweh bring healing, and I will not deal favorably with the ones who tell a deception to gain that sick person’s money.

Point Five

The disease of master trickery and deception has infiltrated the church outlets. TB was not the first to yield multiple forms of presentation. How has the way looked? When you are afraid of losing your relationship with God when you make a leader angry or don't question them out of fear of going to hell, your leader is now your god. No human can stop you from having a relationship with Yahweh WITH DIRECT ENGAGEMENT. Come to Yahweh without any reservation.

Point Six

SEERSGATE SAYS IT:

We barely had to listen seven minutes into one of his sermons and could see the placement of his deadliest trait:

"TB Joshua is human. Prophet TB Joshua is divine...Everyone has two nature(s) in one person."

YAHWEH CONTINUES HIS CONVERSATION ON THE TEN POINTS:

If people actually read the Word of God and meditate on it, there would be a way to really see, even by logic, without Spirit leading, through study; there is an understanding that no human can become a god with Yahweh traits.

Point Seven

SEERSGATE SAYS:

(From Joshua) "The Bible can no longer come alive because we read the Bible with so much unforgiveness."

YAHWEH SAYS IT:

That is a lie straight from the pit of Hell. The Word of Yahweh, the Books put in a contained way, will not hold power based on how the human state stands. Your human way will not determine the active way written in Scripture. The Word of God is active, based on Yahweh's active power pushing authoritative standing, bringing forward the active way in prophetic sayings.

Point Eight

YAHWEH IS LEADING:

I must go to the root. I must look at doctrine, the person's way of living. You cannot look at miracles, signs, and wonders as proof that a minister is Mine. Points to look at: What are they saying? Are they putting lowercase gods before Yahweh?

In less than twenty-five minutes of watching one of TB's sermons, he blasphemed Yahweh TO THE ROOT. The root of the tree is rotten. And so will its fruit.

Point Nine

YAHWEH SAYS IT:

Master Deceiver, a very powerful demon, must be reviewed by the Church, for there is great deception. A minister can cry out, "Jesus is Lord," yet they sin and tell you to worship other gods, including making your way as your own lowercase god. When they do this, it shows that their root is rotten, regardless of how much good they do and how many poor people they feed. In a scenario, out of their 100 percent of service, their 98 percent good works will burn up while I throw them in the lake of fire. The 2 percent of blasphemous sayings will seal them due to a root action from their heart, for I will not covenant with them. And when there is no covenant in salvation with King Jesus by the power of the Great Holy Spirit, one is not Mine.

Point Ten

I have a problem with lowercase gods. I destroyed many nations based on their worship of lowercase gods. I slayed the wicked based on their sinful way against Me. With grace covering the CHURCH ERA, there are many who feel that there will be a plan of withholding judgment. Be made aware. TB was only one. There are many still living who carry his placings of putting their way in a god placement. Be made aware. The age of the antichrist is an overlapping plan, and within that way, there will be a stripping away. And Yahweh's anger will not be held back.

Ending to the Entry Note

The way of trusting what you can see has taken the place of putting faith in Yahweh and what is stated in the written Word. You trust a man based on how you see people slither on a concrete slab. What about trusting what Yahweh says through the written Word?
