

Letter Eight: O and the PASTOR “And the Two Became One”

“Do not say anything against her yet. We are not ready to wage a spiritual war.”

—YAHWEH

SEERSGATE IS LEADING:

I cannot say anything against her yet in a direct saying. I cannot address her as if she stood in front of Yahweh and me. I cannot pretend not to see her way and how many she has misled. Yahweh has me go forward and speak to the one who covenants with her. I will tell you, “Dear Joel,” how Yahweh puts you. You do have a way of escape. You do have a way out. You do not have to stand with what you once said. You can have freedom in Yahweh that does not require you to stay imprisoned under ungodly covenants. You may lose some of those old connections. You may have to choose a side and deal with heavy backlash.

YAHWEH SAYS THIS WAY:

Seersgate, Yahweh is leading. I do not want his soul to burn in the lake of fire. I gave Joel a personality that is gentle and comforting. I gave him a way to reach the people through gentle ways, but compromise is not a tool to use in Yahweh’s camp. You may lose a lot of followers, Dear Joel, but what is more important: a cash connection or eternal salvation? I will not weigh how large the crowd was. I will weigh if the souls have Yahweh. I would stand by your side if you no longer walked in a covenant plan with her. I would have you under a covering that would bring in such a great harvest.

But what have you tasted? Cowering. You are not trained in the weight of carrying a real work that has a plan of eternal shaping. You are not in My office of pastor from My hand. "Passing down the torch" from one you knew does not yield a plan of automatic governing from Yahweh. Take a look at what Yahweh sees.

Here is a plan Yahweh would push if Yahweh took hold of your ministry.

Yahweh would have you sever all ties with those who say I am not the only way to Heaven. All covenants with the ones who say there are many paths to God must not have a way to come under your church ties. Yahweh King Jesus must have the position of first place, and those who say there are other gods to have before Yahweh must have no plan to bring a rift.

Second. I want your way to sit under godly leadership, take on actual Bible study, and partake in ministry on the side. I would take your speeches of self-exaltation and burn them. You would have to learn as if you never had a platform. And so, the fallout would be great. You wrestle within, and you want to keep a joining to make the people feel like all is well. Tell Me, are you cowering over the thought that I do not love? Would judging those living in a sin-filled way say that I am unloving? Your temperament wrestles with this. "How can a loving God send people to Hell?" That is your wrestle, and you are torn with how there are no spoken words from your lips that would prepare them.

What would make you learn how My love is? Is it by having others tell you that they love you? Is it by showing love to those who lack? Do you have to do anything to feel this form of connection? I work outside of natural ways to show love, and I will not make you do actions to feel love from Yahweh. I do not expect you to do natural works to gain My attention, nor will I love you if you came before Me and told Me that you gave a lot of money away.

Here is what Yahweh wants from you: a pure way within your heart and clean hands. Let Me take away what you've learned and give you a pure dealing with Me. We will give you clean hands when you sever the old way. We want you. We want your whole way in worship, submitting to the Kingship We yield. Yahweh is the only true God who is able to keep a person living in eternal placings. Break off the covenants made with the world. Don't be willing to lose the Way.

Let Me say what is within your heart. Yahweh can see it in a clear placing:

You do not want to be a church pastor. You want to live in a setting free from telling people how to live. We can see it; you do not know what to stand with. There is no ignorance in your looking at these different ways. You need to see Yahweh plainly put a real way of showing you the way to live. And when you see the real way, you will, with complete yielding, take in Yahweh's way, and you will carry no way to doubt Me.

You surround yourself with others who have great ways of influence within secular meetings, but there's no spiritual food from these ways. Let Me help you take off the scapegoat way. You carry the scapegoat way due to how you yield to having the way of a target on your way. I have a way to see how the woman who holds your hand gives a false presentation to take in your way. How can you be with a person who says that Jesus isn't the only way and still serve Me with true yielding? Take a new look. Take the scapegoat way from you by cutting off all former covenants that hinder coming to Me.

You can take on a new way. You can be free, living a holy and set-apart way. You can deal with Me in spirit and in truth. You can drink from Me and live forever.

Yahweh sees how you give these ways to live "your best life now." But what are you giving the listeners and those who trust Me? What are you telling the people about their souls? Where are you going to spend eternity, Dear Joel? Please think. It is time to make a decision. Who will you permanently serve?
